GENERAL MEET OF RED CROSS

**Finish Up War Activities
With Balance In Bank Of
\$2,439—Turned Over \$35,-
620 In Six War Years—
White Elephant Shop Raised
\$9,490—Enormous
Amount Of Goods Shipped.**

Grimsby Red Cross organization has ceased to function as a war time body and from this time forward will be a peace time unit of the Ontario Division of the Red Cross Association.

Formed six years ago this organization has been a tower of strength to the Ontario body in their war efforts. It is openly recognized in headquarters that the Grimsby branch has done a magnificent job and they have a most enviable record.

President Mrs. R. N. Wolfenden presided at the general meeting in Trinity hall on Tuesday afternoon and Secretary Miss Olive Kitchen read the minutes of the last meeting. Rev. W. J. Watt, said a short prayer and Mayor Bull addressed the ladies briefly.

Miss Ann Crane, treasurer, read the financial report which, as usual was a very fine one. From January 1st 1945 until March 31st, 1946 the branch had total receipts of \$9,865 with expenditures of \$8,650 leaving a balance of \$1,215. A surplus carried over from the previous year of \$1,224, gives them a balance in the bank of \$2,439. During the past six war years the branch raised a total of \$35,620. Present membership is 323.

Reporting for the White Elephant Shop, Miss Crane stated that the ladies in charge had hopes of reaching an objective of \$10,000 before ceasing operations but unfortunately they had to close up on August 2nd last and as a result they fell a little short of the mark they had set.

During their war years of operation they raised and distributed \$9,490. A remarkable showing indeed. They still have a balance on hand of \$643.

Mrs. J. W. Chambers reported as follows: "I beg to submit the following work report."

"Since our last annual meeting we have sent to the Red Cross warehouse in Toronto 4861 articles consisting of 3551 articles of civilian clothing, 771 articles for the forces, 424 articles for use in our (Continued on page 2)

Give County Clerk Salary Increase

**Reeves Hewitt And Durham
Support The Motion—Deputy
Reeve Aikens Opposes
It—Auditor Resigns.**

At the close of the March sessions of the Lincoln County Council Wednesday afternoon in St. Catharines, Reeve George E. Wiley, in a surprise move, called for a standing vote on the report of the finance committee. Mr. Wiley gave no reason for his motion and the report passed by a vote of 11 to five.

The report, presented to council by the finance chairman, Reeve L. R. Lymburner, of Caistor, recommended that the salary of Clerk W. H. Millward be increased \$300 per annum and that the salary of Miss Marie Killins, Mr. Millward's secretary, be also increased. It is understood that some words flew back and forth across the table regarding wage and salary increases during the meeting of the committee and this fact may have roused Mr. Wiley to take the action which he did in open council.

Voting for the adoption of the report were, Reeve Patterson of Niagara-on-the-Lake, Deputy Reeve Dawson of Niagara, Reeve and Deputy Reeve Hoare and Wilson of Merriton, Warden Johnston of Port Dalhousie, Reeve Secord of Grantham, Reeve Lymburner of Caistor, Reeve Durham of North Grimsby, Reeve Ecker of South Grimsby and Reeve Hewitt of Grimsby. Those who voted against the adoption were Reeves Wiley of Louth, Reeve Montgomery of Clinton, Deputy Reeve Aikens of North Grimsby, Reeve Heaslip of Gainsboro and Deputy Reeve Book of Gainsboro.

Council in adopting the report, accepted the resignation of S. R. Cruikshank as auditor and appointed L. Moorehouse in his stead at a salary of \$300 per year.

When You And I Were Young Maggie

The pupils of this school will remain a memory to only a few in this district, which was settled by United Empire Loyalists after the American Revolution in 1776. You will find in this picture descendants of the Smith, Biggar, Hunter, Woolverton, Pettit and Nixon families. The log school house was situated at the foot of the Woolverton mountain road—south side. As teachers were scarce, Charles Woolverton (father of the late Linus Woolverton) would teach part time in order to retain the Government grant. Later a frame school house was built on the Ezekiel Smith property (grandfather of R. O. Smith) where the modern brick school now stands, known as School Section No. 3. Note the quaint dress of both the girls and the boys. It is believed that this photo is 100 to 120 years old.

WARDEN FATHER GREETED HIS WARDEN SON AS DINNER GUEST

The occasion when a father can play host to a son at a banquet only comes once in a lifetime but it occurred last Tuesday when R. H. Johnston, former reeve of Port Dalhousie and ex-warden of Lincoln County, was host to his son, Warden Robert M. Johnston, and the members of the Lincoln County council at the annual banquet of the Ex-Wardens Association of the county.

Some fifteen veteran and younger ex-wardens gathered in the Hotel Leonard for the annual banquet which was attended by the members of the 1946 Lincoln County Council and county officials. The event was aptly termed "Port Dalhousie Day" by Ex-Warden Johnston.

ston in welcoming his warden son to the dinner and in introducing Romaine K. Ross, K.C., the speaker for the occasion and also a member of the Port Dalhousie council.

Speaking on the subject, "Government in Canada," Mr. Ross stressed the need at the outset of his address for "agitation" of a democratic nature to uplift the people of the world and to protect democratic institutions. He pointed out that we must keep alive the love of law and order and the need for love and freedom in any state to come. Discussing the problem of dominion-provincial relations, Mr. Ross stated that the "greatest single basic problem is (Continued on page 2)

Public Misunderstanding Parcel Post Rates To Foreign Countries

The following letter of interest and information, to the public, is self-explanatory.

The Editor,
Dear Sir,

From letters appearing in the Press and others reaching this Department it is evident that there is a misunderstanding on the part of the Canadian public in regard to parcel post rates to other countries and restrictions on articles which can be shipped to the United Kingdom and continental countries.

A chief criticism is that "exorbitant" postage rates are levied on parcels of food and comforts to Europe. As you undoubtedly realize, the problem of relief to countries in distress is not primarily one

coming under the jurisdiction of the Post-Office Department. Assurance can readily be given however, that this Department is both willing and anxious to do all in its power to help.

It might be explained that parcel post rates from Canada to other countries are determined by the cost of land and sea conveyance, as well as charges which must be paid for transit services provided by other Postal Administrations.

For example, parcel post to the continent of Europe is routed via the United Kingdom. In the circumstances, the British Postal Administration, as well as the country of destination, must be paid for their services in handling the parcels (Continued on page 2)

BENEDICTION AT ST. JOSEPH'S

**Very Rev. Dean Cullane Of
St. Catharines Blessed And
Solemnly Installed New
Stations Of The Cross And
New Statue Of St. Joseph
—Church Newly Decorated.**

On Sunday evening last, Very Rev. Dean Cullane, of St. Catharines, blessed and solemnly installed the new Stations of the Cross and the new statue of St. Joseph, the titular Saint of the St. Joseph's parish.

The Church has been completely redecorated and a complete new lighting system installed.

A new dossal of a dark wine shade properly hung on a wrought iron grille enhances the beauty of the main altar which has been remodeled and finished in an oak shade. Rev. Father Thomas Brennan, Director of Charities for Hamilton Diocese delivered the sermon for the occasion and stressed the importance of a Church in any community.

Solemn Benediction of the Blessed Sacrament was given by Rt. Rev. Msgr. Cassidy of St. Patrick's Parish, Hamilton, with two former Grimsby pastors in the persons of Rev. Edward Canning of Port Erie, and Rev. Father Benjamin Webster of Welland as Deacon and Sub-deacon. Rev. Father Cerrone acted as Master of Ceremonies.

The present Pastor, Father O'Donne, expressed his thanks to all the members of the congregation for their co-operation and also informed them that a new statue of the Blessed Mother of God had been donated and would be installed in the near future. After devotions the parishoners were invited to the Rectory where they had the pleasure of renewing former friendships with former pastors.

Prospects Good For 1946 Crop

**Vineland Experimental Farm
Reports That If Weather
Continues Normal Buds
Will Be Unharmed.**

Mr. E. F. Palmer of the Vineland Experimental Farms said in a telephone conversation with the Independent, that as far as the Farm was concerned, there was really nothing to worry about yet, but that they hope that the weather does not become any milder.

"There are lots of live buds right now and the prospects are good for the 1946 fruit crop, but no one can foretell what the weather holds in store."

It was last year that countless days of fog, rain and chilly temperatures, hampered the bees during the period of pollination. This of course could happen again, one solution might be the perfecting of a bee who didn't give a hang about weather conditions.

Grimsby's Good Citizen For 1945

A. R. "Sandy" Globe chosen by three disinterested judges for the Lions Club Good Citizenship Award for 1945, with which medal and scroll he was presented at Tuesday night's dinner meeting.

CITIZENSHIP AWARD MADE

**A. R. Globe Recipient Of 1945
Medal For His Great Efforts
In Establishment Of
West Lincoln Memorial
Hospital—Most Excellent
Address Given Lions Club
By Father O'Donnell.**

Breathes There A Man
With Soul So Dead,
Who Never To Himself
Hath Said,
This Is My Own,
My Native Land.

Using the above poetical quotation, in place of a text, Rev. Father Bernard A. O'Donnell, at Lion's Club on Tuesday night in The Oak Room of The Village Inn, delivered the finest after dinner address that the members have listened to in five years. His theme was Good Citizenship and he traced the development of it from the primitive tribes to the present day civilization in a most vivid and descriptive manner, tying in with it the objectives that all citizens should strive to attain in order to have Good Citizenship.

It was Lion's Good Citizenship night when the annual award is made to the man or woman of the town or township, who in the opinion of three disinterested judges had accomplished the greatest good for the town and township during the year 1945.

The winner this year is A. R. Globe, a native son of New Brunswick; veteran of World War I; globe trotter; world prospector; fruit farmer and lastly manufacturer. A real go-getter if ever there was one.

The announcement of his selection by Lion John Hewitt was received with great acclaim by the large number of Lions and guests present. It was a popular award. The presentation address was made by Mayor Bull and the medal pinned on "Sandy's" coat lapel by the (Continued on page 2)

FIVE MILES OF RIDGE ROAD WILL GO IN COUNTY SYSTEM

A definite move was made by the Lincoln County Council last Wednesday, towards adding to the already extensive road system of the county. Adopting a report of a special committee appointed in February by Warden Robert M. Johnston, council voted to add over 23 miles of road in various sections of the county to the system during the next two years.

During the first weeks of March the special committee composed of Warden Robert M. Johnston, Reeve Cecil Secord of Grantham

Township, Reeve Len Hoare of Merriton, Reeve C. W. Durham of North Grimsby, Reeve George Montgomery of Clinton and Reeve W. E. Heaslip of Gainsboro, accompanied by County Engineer F. E. Weir, made an extensive tour of the county roads, paying particular attention to various sections which have been requested as additions to the county roads.

The appointment of the committee was made at the February sessions by Warden Johnston, following (Continued on page 2)

County Council Chambers To Be Enlarged And Fully Modernized

At the close of the first day of the March sessions of the Lincoln County council, meeting in St. Catharines, adopted reports of three committees, general administration, Industrial Home and charity, and welfare. Warden Robert M. Johnston of Port Dalhousie expressed the hope that two days would be sufficient this month in which to wind up the county business.

The appointment of J. W. Brownlie of Port Dalhousie and W. H. Webber of Merriton as maintenance men at the county building in

St. Catharines by the general administration committee was approved by the council. In adopting the report of the committee council also signified its approval of the changes recommended by the committee for the renovation of the council chambers which will be enlarged and modernized.

Following receipt of a letter from the Children's Aid Society yesterday in which the council was notified that the county share of the cost of care of children in 1946 would be \$10,978.60, members of (Continued from page 2)

Read This To The Very Last Line

**You May Have Read It Before
In Our Contemporary But
This Time You Get A Surprise.**

(Hamilton Spectator, Thursday, March 21st)

To-morrow McMaster University students will receive the last issue of the weekly newspaper for the year. Called the Silhouette, the news journal for the session will be completed with the 22nd paper, to give editorial staffs time for studying.

This year, for the first time at McMaster, a six-page issue was published after Christmas. Originally planned to be a weekly feature, it became bi-weekly when pressure of work at the printing establishment forced curtailment of the policy. The usual four-page issue was printed alternate weeks.

Last week, the co-eds were given opportunity to display their journalistic capabilities when an all-co-ed issue was published. The girls chose yellow paper for a distinctive touch, and sprayed each copy liberally with perfume, "to make it smell two ways," one of them said.

This year there will be no graduate issue of the Silhouette, but the feature page to-morrow is devoted to the graduates, it was learned. Joseph McLelland of this city, is the outgoing editor, and Virginia Hunter, also of Hamilton, has been named editor for next year.

Still to come are the Marmor, university yearbook, and the last copy of the Muse, quarterly literary publication.

NOTE: The printing establishment referred to in the above article was the office of The Independent. For five years "Little Dyke" some way and some how has been able to turn out this paper for the McMaster students. One Christmas issue was an eight page for mat printed in green ink—Ed.

Grimsby Has Five "Senators" In Lincoln's Upper Chamber

THOS. W. ALLAN

WM. MITCHELL

FRED A. OAKES

JOHN E. LAWSON

CHAS. W. DURHAM

There is an unofficial Upper Chamber in connection with Lincoln County Council. The members of this Chamber call themselves "Senators". They are the members of the ex-Wardens Association of the county that keeps a watchful eye, in an unofficial way, over the sitting members of the

council and their actions. Grimsby has five ex-Wardens sitting in this Chamber. They being Thomas W. Allan, Warden in 1909; Wm. Mitchell, Warden in 1910; Frederick A. Oakes, Warden in 1930; John E. Lawson, Warden in 1936; Charles W. Durham, Warden in 1943 and still a sitting member of council.

FACTS & FANCIES

Frank Fairborn, Jr.

MY WIFE SAYS:

The black shirts, the brown shirts and the green shirts have been washed up but the real menace to this country is the dry shirts worn by idle people who would rather live on social security than work up a sweat.

THE CENTS COUNT

The great majority of people have no conception of the type of thrift which takes care of small sums of money. They are concerned, comments The Chatham Daily News, with larger scale operations.

The old saying, "take care of the pennies and the dollars will take care of themselves," is generally disregarded. The mistake associated with such negligence of a fundamental in money-saving is impressively demonstrated in a report from Chicago which asserts that about a billion dollars is spent by the people of the United States in vending machines in a year.

These machines are the mechanical sellers of gum, candy, peanuts, cigarettes and many other kinds of merchandise. In many cases the coin used is a penny, but the gross result is startling.

Many people have wondered whether these machines, so plentiful everywhere, are patronized to any extent. The figures of the annual intake answer the question. Evidently the pennies of the public are worth garnering.

BUTTER FOR THE CHURNING

The butter shortage has sent some farm wives to sheds and attics in search of old churns used by their grandmothers. Those who have come back with the "dusty things" have discovered that "churning" isn't as easy as grandmother made it sound. Knowing just how long the cream should "set" is one of those things which only grandmother could tell—by "taking a look."

Before electricity came to the farm some women preferred the dash turn—a rig that looked something like a mop handle sticking out of a pail—while others used a barrel-like container which they spun "round and round" between a couple of pivot legs. In either case the cream came out butter.

When the cream had solidified, then it was put into a large wooden bowl and "worked" with a smooth wooden paddle. The more arm work that was put into the butter the smoother it looked and nicer it tasted. Extra butter either was packed away in large jars or molded into "bricks," depending upon how proud the woman was of her butter. The farmer's wife often got her "pin money" from the butter she sold.

Some of the city wives, we hear, are making butter in their electric mixers and with excellent results. Husbands, we imagine, will not be recklessly inquisitive as to how they do it so long as there is butter for the morning toast.

SILENT SUFFERING

There has been plenty of publicity given the ladies for having to put up with wartime, stretchless girdles—but how about the men?

While the women have been flooded with sympathy the men have just gone ahead and suffered in patient silence.

We refer to garters manufactured in war time without any rubber holds on the catches.

Those war time garters are the most treacherous, inefficient, thankless, gadgets that ever stopped a man from going collegiate with his socks.

At the most unexpected and embarrassing moments they give way.

Just as you are shaking hands with your hostess in the reception line, making a dramatic announcement from a platform, saying gallant nothings to a pretty girl, or rushing to catch a street car—you feel the telltale "give."

Next moment the garter is snaking down your leg, twining around your ankle and making ready to pop out around your shoe top like a young robin's head emerging from its nest.

Even if they do without rubber on tires and in hot water bottles they should put it back on the garter fastening—because metal fasteners just won't hold.

Something should be done for the teenage girls, too.

The roll-your-owners have formed such a habit of reaching down and hauling up their socks that they have developed a step-and-bob gait. Three steps and a haul on one stocking. Three more steps and a haul on the other. See one walking across an office and you think she must be dodging brick-bats.

MORE HOME NEWS MAKES BETTER PAPER

The most interesting news items in the paper and the easiest for the reporters to miss—are the small local items which tell what you and your neighbors are doing.

The news that your son is home from service! that some member of your family is sick; that you have out-of-town relatives visiting in your home; that you are taking a trip; that your dog is lost, or that some member of your family has won an honor—all those and others are the heart and soul of a small newspaper.

If you don't believe it ask the boy who was in service. He wasn't interested in world events particularly. What he wanted to learn from his newspaper was what his friends were doing.

It is impossible for the small staff of a weekly newspaper to reach everyone. The reporters do the best they can, but many of the small items—and the best items—go unrecorded unless they are brought to the paper's attention by some interested person.

It all adds to the good neighbor spirit. If you are interested in your friends, they are interested in you.

News items telephoned to the office always are appreciated.

SPENDING ON GIRL FRIEND

Some girls are said to complain of the boys who will not spend anything for them except their time. It is also suggested to the girls, that they do well not to make too heavy demands on the boy friend's pocket. He may have only a limited amount of money at his disposal.

There is a golden mean between spending and saving when a fellow takes the girl friends around. If he throws his money away too freely, that is in some cases a sign of a wasteful disposition. If he holds on to his money too tight, that also is not so good a sign. Many girls make themselves popular by suggesting that they do not want the most expensive entertainment when they step out together.

THE OLD BLACKSMITH SHOP

At least once during the winter months the farmer had to go to the blacksmith shop. His horse needed "sharpening" for icy roads or a new runner was needed for his pung.

If the day was Saturday, a boy was invited to go along. If he was a good listener and quick to observe, he could learn much at the blacksmith shop. It was a place where expert work was done. It was a place where discussions took place on any subject injected into the gathering. It also was where men met and renewed acquaintances.

To a boy, the blacksmith shop was an awesome place. Here was power and strength. By the clank of his hammer, the Smithy could flatten the toughest piece of steel. Ah, yes, the blacksmith was a mighty man, the "strongest in the whole world." When his rough hand rumbled a boy's hair—a Smithy's way of saying hello, Scany—then a boy could thrust hands deep in pocket and rock on heels with the rest of the men.

There were biting but pleasant smells of red-hot steel under the hammer, sizzling horseshoes pressed against hooves, and soft coal burning under forced draft. The blacksmith shop is yielding to mechanized progress.

Maybe this is as it should be, but today's machine shop with its constant, whirring machinery isn't a place where men can gather to discuss vital world topics while their work is done. A man's lucky if he can hear himself think!

THE MARBLE GAME

It is said to be a sure sign of spring, when the boys are seen playing marbles on the sidewalks. As spring weather comes on, there is a period when the heart of many youths turns to the little round spheres, and a longing to show skill in rolling them fires the desires of many.

The game of marbles is called one of the oldest in the world, and these little round spheres are found among all peoples. So the boys of 2,000 years ago, and those of primitive tribes of today, have this thing in common with modern youth. Community organizations and people that have systematized this game and provided rules and competitions in it, have done a useful thing for the youngsters.

Garden tools on display.

Crows cawing in the mountainside bushland in the early morning.

Herb. Betzner dressing a window. Everything from dutch sets to an electric range.

A water sprinkling wagon would be a great benefit from now until next November.

Prospective car owners giving the new Ford V-8 the once over at West End Motors.

Glad to see the school kids and the teen-agers using the bicycle racks at the Post Office.

The bright sunshine has brought out the sidewalk parliamentarians.

Plenty of happiness around the West End Motors on Monday morning. A load of seven new Ford tractors had just arrived.

Monday morning trucks from the city wholesale firms delivering goods to Grimsby stores. There is a pile of stuff goes in the back doors of local stores every week.

THE OLD THINGS

He said he liked the old things—
The padded rocking chair
That bore his weight so tenderly
And eased his load of care . . .
The old brick grate where on chill nights
The embers snapped and glowed.
And in which dreams appeared that took
Him off life's beaten road.

He liked the old green-shuttered house
Where he first saw the light . . .
The feather ticks that bore his form
Throughout the cold, long nights . . .
The scene of clustered lilacs in
The shelter of the wall,
And e'en the rutted lane that led
To nut trees in the Fall.

He liked to pat the grey mare
That seemed to know each word . . .
Acknowledge kinship with wild life
Whose mating calls he heard . . .
And eyes grew moist when harvest moons
Cast shadows on the corn,
And hound-dogs bayed when scent of coon
Was on the ether borne.

He liked old friends who staunchly stood
Throughout the fleeting years,
Smiled happily when honors came—
In sorrow, shared his tears . . .
Whose pace, unburied, matched his own,
And sought the self-same paths,
Who smiled in tolerance at youths
Who'd cut much wider swaths.

He said he liked the old things!
At heart he understood,
And even tried to disregard
The reason why he should;
Youth seeks the new—the things beyond,
Impetuous and bold . . .
But he liked best the old things
Because he, too, was old.

Penned and Pilfered

Those who are satisfied to rest on their oars always start to drift.

And now we have the combined salt and pepper shaker, a gadget which releases both salt and pepper at once. Sounds like burning the candle at both ends, which means some folk use it to add spice to life.

CONTINUATIONS FROM PAGE ONE

COUNTY COUNCIL

The council also moved to accede to a request for a grant to the society. The sum of \$1,600 was granted by council to aid in the work of the society and the increase in the per diem rate from 83¢ to 90¢ was approved.

Prior to adjournment Tuesday afternoon the report of the Industrial Home committee was adopted by council, recommending payment of accounts for the past month.

CITIZENSHIP

1944 winner of the Award, Miss Ann Crane, who also proved to be a real orator.

Previous winners present at the head table were Mrs. Bessie K. Moore and Miss Crane. Other dinner guests present were Rev. A. E. Brooks, Geo. Globe, Mrs. Richard Shafer and Bruce Kelterborn.

Father O'Donnell gave a complete and comprehensive report on the Lion's Midget Hockey League which has just closed a most successful season.

Next Tuesday night will be the gala night in the Lions Club season. It is the night when the woodworkers entertain the fair sex and a fine and elaborate program is being prepared. It is expected that this year's ladies' night will surpass anything that the Lions have yet attempted.

FIVE MILES

ing a lengthy and heated session regarding proposed extensions. Some members of the council at that time expressed the opinion that certain townships had more roads allocated to the county than they deemed right by view of extent of population. Consequently, Warden Johnston selected a committee to study the proposed extensions and ordered them to report back to council at the March sessions with their recommendations.

Three roads will be added to the county system in 1947 and two other sections in 1948. They will be surveyed during the coming summer and an estimate of the approximate costs prepared.

The Boyle Road running across the Township of Grantham from the Town of Merriton to the Merriton Highway will be the first section added in 1947. The stretch of road is approximately two miles in length and is the first bit of road in Merriton that has ever been put under county jurisdiction.

Three miles of the Campden Road from Campden and running across Clinton and Gainsboro Townships will also be added during 1947 along with five miles of the Ridge Road in the Township of North Grimsby to the Grassie Road and including a section of the Grassie Road.

During 1948 the Louth Township Road, approximately 5 1/4 miles in length and running from

KING'S HIGHWAY NO. 8 TO THE LAKE

Shore Road will be added. When this is done a road in Louth now maintained by the county will be turned back to the Louth Township Council, since the new road provides a better outlet and shorter route between the town highways. The Calmar Centre Road, approximately eight miles, in South Grimsby is the remaining section to be added in the year 1948.

The entire Council will inspect the county road system on April 10th and 11th, making the tour by bus.

MISUNDERSTANDING

cells. In the case of parcels addressed to the United Kingdom postage is shared to meet the delivery expenses of the United Kingdom Postal Service. Then our postal charges are designed to cover out-of-pocket expenses.

If authorities in other countries are able to make reductions in their charges for handling our mail the Canadian Post Office will promptly pass along such reductions for the benefit of the Canadian mailer.

The restriction placed on the contents of parcel post, i.e. the 7 lb. limit for food, and of not more than 2 lb. of any variety to the United Kingdom did not originate with the Canadian Post Office but was imposed by British authorities in the light of their own domestic conditions. One reason being to protect their rationing system, also it is claimed that morale would be adversely affected if there were no restrictions on foodstuffs from overseas and the privileged few with friends in Canada were able to receive unlimited quantities while their neighbours were strictly rationed.

The feelings of Canadians with friends overseas can readily be understood but they can rest assured that the Post Office is seeking to afford the best possible service and at the lowest possible cost under current conditions.

Yours sincerely,
W. J. Turnbull,
Deputy Postmaster General.

WARDEN FATHER

readjustment of powers."

Closing his address, Mr. Ross suggested that the principles of good government in Canada consist of adherence to the British Crown, the strengthening of Dominion-Provincial relations, the regard for the supremacy of parliament, unrestricted access to the courts, freedom of private enterprise and a foreign policy based on collective security and international co-operation.

GENERAL MEET

hospitals and 115 quilts and comforters. A number of articles valued at \$395.55 have been donated.

"Since the organization of the branch 23,742 articles have been completed and shipped.

"There is still a small amount of work unfinished but we hope to have these ready to send by Mar. 31. As liaison officer for the district I have notified the relative or friend to whom 16 war brides were coming, have called on the majority of these girls and have enjoyed meeting them. The two latest brides arrived just yesterday."

"I have notified the next of kin of 18 men, wounded or ill returning on hospital ships, and the next of kin of 75 servicemen were notified of the date of their return when for security reasons ship sailings could not be made public. After security regulations were lifted this service was discontinued by the branch. I have enjoyed this work and would at this time like to thank those who have helped me in locating families unknown to me especially thanking Mr. Livingston, Mr. Bromley and Mr. Wheeler."

Sgt./Ldr. Harston from Ontario headquarters addressed the meeting at some length and gave his listeners a most descriptive story of the great good and the joy that the R. / and goods and parcels of the Red Cross had brought to Canada's fighting men in all theatres of war. His story was a most graphic one and was listened to with rapt interest. He enjoined the members to continue their good work in peace time as they had done in war time.

At the conclusion of his address a large number of Service pins were presented to a very large number of Red Cross workers, all ladies except three, those three men being Ralph Boehm, Wm. Hewson and J. Orton Livingston. The complete list of the ladies will appear next week, along with the newly elected officers of the organization. The presentations were made on behalf of the organization by Mrs. Robert Aldrick, Sr., and H. V. Betzner.

UKRAINIAN CATHOLIC SERVICE MEN OF GRIMSBY

Canada has played a vital part in that grim campaign of bringing back peace to all people. Whatever resources she had they were willingly turned over to the services of the King. Notably she has sacrificed young sons for that grand cause—pro Patria. And in this supreme offering these youths wholeheartedly pitched in to assure those at home of safety before the invader and also to bring about victory no matter how great the price. When these lads pitched in, they stood shoulder-to-shoulder. The Englishman, the Irishman, the Pole, the Jew, the Ukrainian donned the Canadian khaki and awaited orders. There was a tough job ahead of them and it required the common effort of all to put it over. And in it every single one of them did his bit. That is why such great ovations are being extended to these heroes who are now-days returning from different theatres of war to take up again positions on peaceful Canadian soil. Peaceful because they made it such. That is why this tribute is particularly being paid to the returning soldiers of Ukrainian descent of

Grimsby. To acknowledge the noble manner in which they fulfilled their soldierly tasks. Shortly, their true Canadian spirit.

Ukrainians of Canada are proud of their record in World War II. 40,000 of them have answered to the call of the Empire and taken up arms. And in this grand achievement Ukrainian Catholic servicemen and women of Grimsby and vicinity are embodied. They number over forty.

They are: Olga Andreychuk, Walter Christian, Edward Cyprik, Leslie Disik, Michael Duryshyn, Bill Fillimchuk, Michael Fillimchuk, Peter Fedor, William Fedor, Frank A. Goutowski, Walter Halinski, George Hareychuk, William Hareychuk, Myron Kalinovich, Norman Komariansky, Elsie Kowbliuk, Nicholas Kowbliuk, Mike Kulmatycky, Walter Kusi, Alec Laba, Matthew Laba, Michael W. Laba, Michael J. Laba, Walter Laba, Dmetro Labiuk, Bill Labiuk, Edward Maryniuk, Neil Maryniuk, Harry Miller, Steve Podubinsky, Walter Pry-

hitka, Bill Romak, Dmetro Romak, Peter Rushak, William C. Sopo, Bill Swirsky, Ernest Wall, Adam Wisnoski, Bill Wisnoski, John Wisnoski, Mike Woron, Andrew Kakechuk, John Sopo. A fine bunch of lads as only Canada can produce. It is such few, scattered Dominion-wide, that have added up to form Canada's victorious army.

Today many of those boys are back home, others are en route to Grimsby. But there are some whom we shall never meet in Grimsby again. In fields so typical of Flanders they lie row by row with white crosses that mark their place. With the poet they call out: "We are the dead, short days ago we lived, saw dawn, saw sunset glow. Loved and were loved, but now we lie." More than ever our hearts go out to those heroic souls who spilt blood for Canada. And now in times when our heroes are returning, their absence is keenly felt. It is for them that our lips form a silent, sincere prayer: "O Lord, they die believing in Thee. May Thy face and happiness of eternal life shine splendidly before their eyes."

Father Bernard A. O'Donnell

MIDGETS HAD GREAT SEASON—The Miniature Lion's Club Hockey League came to a conclusion on Saturday afternoon last when the titles were won in the Minor Series by Pittsburg and in the Major Series by Canadians. Both games were good examples of teen age hockey and augur well for future years. In making a resume one finds that including the practice games and the league season fifty four games were played under the sponsorship of the local Lion's Club. The boys of all ages who participated in the game have received a grounding in organized competition that will help them in future years. Also they have been trained to recognize the fact that certain rules and definite laws must govern any successful organization and the response on their part has been most gratifying. They are hoping that the Lion's Club will extend their activity to embrace softball on the same plan. Keep a boy busy and you will most certainly keep him out of mischief. This old axiom has never been more justified than in the past three months when boys from Winona, Grimsby, Grimsby Beach, Beamsville and surrounding territory found a normal outlet for their energy and certainly made use of the same. Father O'Donnell informs me that 168 boys participated in this activity and that between twenty and twenty-five really learned to handle a pair of skates this past winter. Canadians defeated Maple Leafs by 3-1. Pittsburg defeated Syracuse by 5-3. Associated with Father O'Donnell in the great work among the kids were Ken Griffith, Principal of the Public school; Cecil Bell and Carman D. Millyard. To these men must go a lot of credit for the time and energy that they expended in seeing that the kids received proper handling and sound education along hockey lines. It is to be hoped that next season these men will be assisted by other citizens who could spend no more profitable hour or two on a Saturday morning than at the Arena helping the kids.

THE KINGS ARE DEAD, LONG LIVE THE KINGS — They will arise again and dominate the hockey world, as they dominated it this season, in their division, so much so that they had all the intermediate "B" teams in Ontario quivering in their sweaters. But just one of those things happened, that is liable to happen at any time to any sporting team, and they passed out of the picture. But like the gladiators of old they died fighting, following their Generals, BIG RUSHTON and OLD POP McVICAR, and with their faces to the foe. A bad 20 minutes caused it all. That 20 minutes happens to all teams and no one knows when it is going to strike. Out of 120 minutes of hard, grueling hockey against the OWEN SOUNDERS the KINGS dominated the play 100 minutes, but that 20 minute second period, right here at home, sunk the doughnut for the year. Of all the good PEACH KINGS that ever took to the ice, including the FAMOUS BOYS of 1925, none were ever gamer or truer to their colors than the present edition. They fought and back-fought through 14 games in their group and the group play-offs. Then they stacked against Chic. Turner and that hard playing bunch of old timers from Port Dalhousie and took them, and in their 17th start of a tough season were defeated, not beaten, for no team has ever beaten them, not even OWEN SOUND. Then they came right back on the Sounders own ice and laced them 5-2, but it wasn't enough to win the round. Owen Sound may win the Intermediate "B" championship, but it they do, the positively best "B" team in Ontario has not won the championship, and the KINGS proved that in OWEN SOUND.—THE KINGS ARE DEAD, LONG LIVE THE KINGS.

CREDIT, WHERE CREDIT IS DUE—I have been labelled with being a soft-hearted old pussy-footer in sports; I have been ridiculed times aplenty with being the hardest boiled guy that ever conducted a sport column. I take it all in my stride, and in the end, the soft-hearts and the hard-boilers finally agree with me. I think that you can make that same application to CLARENCE HENRY RUSHTON, for in the end he accomplishes something and the public all agreed that he is right. I have never always agreed with RUSHTON. In fact we have fought over sporting situations, so much so, that when his fine little wife sees me coming she ducks for the cyclone cellar. In the end everything works out and BIG RUSH produces the goods. He produced them this year. Middle of last November RUSH had a hockey team on paper, a lot of them still overseas. Middle of December he still had a paper team, but stronger, some of the boys had got home. One week away from the opening game in the group he had a tissue paper team, because he had a lot of youngsters that were going like wildfire. He used that brain that nobody gives him credit for having and called in OLD POP McVICAR. Then the fur started to fly and also the pucks and from then on the RUSHTON—McVICAR outfit proceeded to go places and paid their own car fare. The team that won the group championship and played in Owen Sound the other night is no more like the team that RUSH had on paper in November and December than I am like Winston Churchill. That is just how fast the picture was changing. Even as late as the first of February Blanchard stepped off a boat in Halifax, wired RUSH and the SON OF TARA beat the gun to get him a card from UNCLE BILL HEWITT. There is a lot of credit coming to RUSHTON and McVICAR as well as to the team, not forgetting LITTLE JOE HAND and MIKE SWEET for the great work they have done training. There are other years coming. There are other players coming on. Some day BIG RUSH and OLD POP will win another Allan Cup. A good job well done. Thanks.

JUST A WORD TO THE WISE—I expect to fight like the devil with RUSHTON over softball before the coming of Mayflowers. He says he's done. That's the 17th swan song I have heard in 10 years. Wouldn't surprise me he has a team lined now that might go places. Done? Yeh. When the hot sun comes over the ice plant I'll be seen' you and BOOB SCHWAB.

HOCKEY PLAYERS LIKE PEGGY'S CHICKEN—Why as a matter of fact I think Craig, Warner and Reid could eat six fat, plump ones between them. I think it is up to the hockey club—NOT RUSH—to give a public banquet to the PEACH KINGS. They have earned it. They deserve it. Don't let us wait until June, because Peggy will be serving strawberries in June instead of chicken in April.

**Stop 69 Stopped
Legion Team Cold**

Stop 69 a little bus stop on No. 8 highway, pulverized the Grimsby Legion in the final sudden death game of the Fruit Belt League, and thus become the Champions of this league.

We are not making with the alibi for the Legion boys, when we say that they should have walked away with this title, for they had 'be pick of the most of the best players. But it takes more than good players, who insist on being individual stars to make a good hockey team. This fact, plus the considerable friction that existed in this squad lost them the rights to the championship, unimportant though it may be.

Stop 69 didn't look especially good in their win, it was mostly a case of how bad the Legion looked. However scoring nine goals was no mean feat, and this the Stoppers did. The final nine to four score, looks like this in summary form.

First Period	
1. 69—Runions (Hogarth)	8.25
2. Grimsby—Farrell (Winkler)	11.20
3. 69—Cooper	12.25
4. Grimsby—Farrell	18.20
Second Period	
5. 69—M. Baldwin	1.30
6. 69—M. Baldwin	3.30
7. 69—Hogarth	10.36
8. 69—Ostrasser	15.10
9. 69—Cooper	18.20
Third Period	
10. Grimsby—Hann	1.30
11. 69—Hogarth	3.15
12. 69—Cooper	7.40
13. Grimsby—Holynsky	10.25
Rev. B. A. O'Donnell, assisted by Red Mason officiated.

Fast Service, Moderate Charges

"that's a fine home
you're building!"

YES, I think I'm going to
like it.

I wish I had a home of my
own.

Well, why not?

My wife has the idea that it
would be a great worry if any-
thing happened to me.

Nothing to it, my boy. The
arrangements I've made with
the SUN LIFE OF CANADA
will clear the mortgage in the
event of my untimely death.

I never thought of that. What
about the cost?

Insufficient! In fact, it adds
very little to the carrying
charge of the mortgage.

If you are a home-owner, make
your investment safe for pos-
terity. A SUN LIFE man will be
glad to talk it over with you.

SUN LIFE of CANADA

**RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS****To All Employers:**

All Unemployment Insurance Books for the year ending March 31st, 1946, must be exchanged for new books.

New Insurance Books for the fiscal year 1946-47 will be exchanged by the Local National Employment Office in your area for expired Insurance Books.

Protect the benefit rights of your employees by sending in their expired books properly completed on March 31st.

There are severe penalties for failing to make Unemployment Insurance contributions for your insured employees and for failure to renew the Insurance Books as required.

UNEMPLOYMENT INSURANCE COMMISSION

UIC-1W

Jobs Follow Organization**But Employers and Workers Must Assist**

During the war organization of manpower was made possible through co-operation of employers and workers.

This co-operation is no less necessary to assist in organizing the employment market during the present critical period.

Some manpower controls still remain. These are still law. They are aimed at assisting in organizing the employment market.

Remaining controls are designed to help employers and workers—and actually require only minor assistance from the public.

YOU ARE URGED TO COMPLY WITH THE FOUR CONTROLS WHICH REMAIN:

- 1—Employers MUST notify the National Employment Office of any need for workers, as soon as that need is known.
- 2—Where employers engage workers outside the National Employment Service they MUST notify the nearest NES Office within three days, that an employee has been engaged. (Form NSS 312 is provided for this purpose.)
- 3—Unemployed workers seeking employment MUST register with the National Employment Office if unemployed for seven consecutive days.
- 4—Generally speaking, any employer or employee MUST give seven days' notice to the other party of any intention to terminate employment. (Form NSS 120 is still required.) Exceptions may be learned from the nearest NES Office.

The partners to industry—employers and employees—should help the National Employment Service to promote a high level of employment by complying with these simple rules.

Only with public support can an employment service give full assistance to the community.

Make full use of the Local Office of the National Employment Service. It is there to serve your needs, and those of the entire Community.

SPORTS**They Take Their Hockey Seriously****Five Hundred Fans Come From Alliston To Battle Cayuga In Grimsby Arena For Championship.**

Standing down at the C.N.R. station, just waiting for the train to come in. That's a very dull routine to be sure, but upon arrival of the special train from Alliston, things were anything but dull.

Yes sir, it was Alliston-Cayuga night in Grimsby, and about four hundred Allistonites, and around three hundred Cayuga fans, marshalled their forces in our beloved town, for a bit of a do on the local ice, in the finals of the O.R.H.A.

Getting back to the special train, which, like most specials—was late. As it finally panted into the yard, we could definitely ascertain its agricultural aroma, and before old 1930 had wheezed to a final stop, and amidst wild war-cries the passengers started disembarking. It was truly a hectic scene, as kids, players, young girls and grandpas, and grandma weaved up Depot Street to Main, and thus to the Arena. Most of them walked, a few were carried. Hot dog. That's what we like about hockey games.

"Who's doing the milking tonight?" I inquired of one weaving gent.

"We jeez left the milking machine attached," he replied, giving out with a big slap on the back. "Our cows is as smart as these hyar now shiny players, and besides who's drinking milk. Yip-ee."

This concluded the interviews for the night, as we also made our way to the rink, to witness what, to the towns in question was the most serious matter of the year. You know, just like we felt about the Peach Kings.

"Alliston to the right, Cayuga to the left," shouted the gatemen at Marr's emporium of blood and scars.

As the rink filled rapidly, we procured the line-ups from referee Dinty Moore, who made his first appearance here in many moons. Finally the game was underway, and it was quite a game.

Alliston won the first game of the series, by a four to one count, and Cayuga came back with a bang, to take this second game by an eight to two margin. The three Baird brothers and the three Hodges boys practically kept Cayuga on the map, and with Spittal playing a great game, the Cayuga boys had little trouble winning the battle of the century.

The final period was a hum-dinger, twelve penalties were dished out, and time keeper Tom Warner had quite a job on his hands.

We waved adieu to the Alliston fans, who seemed to be exuberant regardless of their defeat. And as the four moth-eaten coaches and the box car, faded from view, we could only say, "Wonder what happened to the cows."

Peach Kings Are Now Vacationing

(Gord McGregor)

The Peach Kings left the hockey world for 1946 in a total eclipse, losing to the Brantford Intermediate's by a ten to one count.

With fourteen men in uniform, everyone got a crack at the puck, but beating Brantford goalie McGrattan was quite a chore, and Pete Tallman's counter in the second frame was all the Kings could manage for the night.

The Kings spare goal tender, Pegg took to the nets in the third period, and had considerable difficulty with Brantford forwards, who banged in seven goals. Nevertheless, the benefit game served its purpose, and will assist players injured throughout the year, as well as Thorpe the Port Dalhousie forward who suffered a broken ankle here some weeks ago.

And so its adieu to the Kings for this year, its been a great team to work for from a publicity angle. We here at the Independent wish for Pop McVicar, Claire Rushton, Mike the liniment man and Trainer Joe Hand, and the whole personnel of the 1946 edition of the Peach Kings, the best of everything, and hope to see them all back again come another season, to put our neck of the woods on the map with another great Peach King team.

Lawn Bowling

Grimsby and Calvary played a great game Friday night, being tied four times and Grimsby just winning out on the last end by a score of 22 to 20. Grimsby won 13 ends to eight. The rinks.

Grimsby—Brock Synder, Dave Alton, Art Clark, Bert Harvey—22.

Calvary—George Scott, W. Gillespie, Tom Peatfield, W. Fernlespie—20.

hough

Kings Finish In Blaze Of Glory

Its some consolation to the most rapid hockey fans in the world, that their heroes can skate right back into the enemy's own backyard and win a five to two verdict, over a team that twenty-four hours previous, whipped the Peach Kings by five goals.

That five goal stuff, brings back bitter memories of the fateful second period in Grimsby, when the Lumbermen bashed in five quickies to more or less demoralize the locals. All this has been discussed, practically where'er you turn, and it should be pretty well threshed out by now. Whether it be settled over a pint of ale, or in front of the clock. The fact still remains that the Kings are all through for this year.

The second goal that Clancy nabbed here in Grimsby, which was turned down by the ref, may have been the turning point, but one thing for sure, the Kings let Owen Sound know plenty, that its a good thing for them that the O.H.A. insists on using the goals to count system, instead of games.

The game itself was practically all Peach Kings, with the boys really playing a great brand of hockey. Craig opened the scoring on a pass from Warner. Owen Sound tied it up ten minutes later with Olmstead scoring from Cruickshank. Duffield gave the Kings a two goal lead in the last two minutes of the initial period, Whitfield getting an assist. There were six penalties, including two majors. One to Craig and the other to Fromager. Clancy picked up the lone tally in the second, Hann and Warner drawing an assist on the goal. Four penalties were evenly divided.

Owen Sound picked up their second goal of the night in the third frame, and Warner ended the scoring in the fading seconds of the period. Duffield getting an assist. Four penalties were handed out to the Owen Sound team, and three to the Peach Kings.

Referee was Stan Smith of Stratford, and a guy by the name of McArthur got his start as a linesman. It was a questionable start to say the least.

It takes a lot of paying as well as living to make a place a home.

Grain Weights And Measures

The following table shows the weights and measures used in Canada in connection with the principal field crops and for wheat flour:

	Pounds per bushel

The Telephone—by Jack Martin, O.S.A., C.P.E.

The Wonder of the Age

YOU CRANKED A HANDLE and put a little gadget to your ear and listened—then lo and behold! A voice spoke to you!

That was the telephone of the '80's, given to the world by the labours of Alexander Graham Bell in his Brantford workshop. But to the rural women of the day, it was more than miraculous. It was deliverance from the bleak isolation

that they had thought would always be the lot of a farmer's family.

No longer in times of sickness would children have to suffer and perhaps die for the want of prompt medical attention or advice. No longer would the dawn to dusk toil of women be unrelieved by the sound of a friendly voice.

In the cities, businessmen were quick to make use of this new means of communication. In rural areas the telephone was among the first of many inventions that were to bring the comforts and conveniences of urban life to the farmhouses of Canada.

Thus, the telephone was a great unifying element that brought Canadians together to work side by side for the common good. It fostered the co-operation that was the foundation of the national spirit of the pioneers and which, in the future, can and will be the inspiration for the greater development of a Canada Unlimited.

Today in our purchase and holding of Victory Bonds and War Savings Certificates, we have another unifying element with which to build a shining future for our nation.

Beamsville News

Synthetic Rubber At Lions Club

Chief Wilf Richardson presided over a very successful meeting of the Beamsville and District Lions Club, Monday night, when J. W. Symonds, Sales Manager of the Dominion Rubber Company of Toronto, was guest speaker.

Outlining the synthetic rubber situation, Mr. Symonds stated that there were those who upheld synthetic rubber, while others condemned it. He gave an educational outline of what it will do, and what it won't, and in what it excelled and in what it fell short, as compared to natural rubber.

The product is not the development of any one company, or of any one nation, but the efforts of many different companies and nations.

The Japanese invasion of the East Indies cut off about 90 percent of the source of natural rubber. And it was a case of investigating every angle in ascertaining what could be done to relieve this acute shortage. Reclaimed rubber was made by only one company in Canada, and although the Synthetic Rubber plant at Sarnia was not the largest in the Continent, it was the best equipped and produced the best product. A by-product of the Imperial Oil Company was used as a base for its rubber.

Mr. Symonds, had for demonstration purposes several sample products, and in demonstrating these, he gave a vivid outline of synthetic rubber, which was enjoyed tremendously by the Lion's Club.

Lion Dr. Chas. Wray introduced Miss Mary Ferguson, who was representing the Victorian Order of Nurses. Miss Ferguson outlined the history of the Order, which is now forty-nine years old, and now

Many Accidents

A light panel truck operated by Claude Roland of St. Catharines, was in collision with a car driven by Alfred Burgess of Toronto, on the Queen Elizabeth Highway at the Thirty Road intersection, Tuesday noon.

The St. Catharines truck was crossing over the highway, when it was struck by the Burgess car on the eastbound lane. Damage amounting to approximately \$300.00 resulted from the mishap. P.C. E. G. Hope investigated.

Early Sunday morning a 1936 Ford coupe, driven by Arthur S. Dawson of Hamilton, rolled over following a blowout to a front tire. The accident occurred on the Queen Elizabeth east of Beamsville, as the car was travelling west. Two passengers, Arth Miller, and George Johnston, both of Hamilton escaped injury, as did the driver. Provincial Constable E. G. Hope estimated damage at about three hundred dollars.

employs four hundred nurses in its one hundred and forty-two branches.

The purpose of the Order is to give trained nurses' care to patients in their own homes. A nurse would visit about one hour with each patient, of which she would have probably six to eight on her list of calls. A charge of one dollar is paid by each patient, although inability to pay does not exclude patients from this service.

Miss Ferguson stated further, that the recent formation of a Health Unit in this County would not cause an over-lapping, but would work together in providing complete health service to the people.

Lion Dr. Chas. Wray introduced Miss Mary Ferguson, who was representing the Victorian Order of Nurses. Miss Ferguson outlined the history of the Order, which is now forty-nine years old, and now

Famous Orchestra For Concert

The Committee in charge of the servicemen's entertainment, announce that plans are underway to procure Horace Lapp and his famous orchestra, plus a group of top-notchers for the floor-show. The night of May 24th. is the big night, when Clinton and Beamsville servicemen and women will be entertained. As far as we can ascertain, this idea of a floor-show and dance is the first in its kind for entertaining the boys of the armed services.

Robbers Visit High School

Thieves who have been increasing their activities as of late, decided to go educational on Sunday night, and entered Beamsville's centre of learning, the Beamsville High and Vocational School.

Gaining entrance through the Vocational shop, the intruders broke a glass to gain entrance to the office of Principal A. G. Richmond, whereupon they forced the inside door of the safe and lifted forty two dollars and seventy-seven cents from the cash box. Strangely enough a ten dollar bill was left untouched. Their task was made simpler due to the fact that the outer door of the safe was not locked.

A finger print expert was called from Hamilton, but his findings were of no use to Constable Manley, and Provincial Police who are working on the case.

Civilization is wonderful. It seems one is able to acquire everything he wants except happiness.

This is the season of the year when nothing looks so appealing to a man as the pictures of vegetables in a seed catalogue.

Stuff 'Round Town

by GORD MCGREGOR

Many residents of Clinton Town ship are finding plenty to talk about, with regard to township roads. There is no argument but that the roads are in bad shape this spring, and in many cases, they are next to impassable. But we must remember that during the past few years, stone has been practically extinct, and even now it barely trickles from the quarry. It's going to take time, and incidentally a lot of green stuff to put the roads back in shape. So drive slow and avoid the bumps. Grin and bear it—it's widespread.

Suckers are running. Both ways. And both kinds. Speaking of fish, Dick Glover got his bamboo pole out real early this year, and reports a good catch back at the "20".

The Beamsville Men's Bowling League had their banquet at the Village Inn Wednesday night. A good time was had by all.

With hockey all over, baseball and tennis looms on the distant horizon. The tennis court we see is being piled up with lovely red clay. Hey what's cookin'?

News From BEAMSVILLE High School

by Little Whozit

Due to slowness on my part, Little Whozit's stuff did not appear last week. So sorry.

Beamsville girls took it on the chin again from the co-eds of Grimsby High, when the Seniors were beaten by a score of 36-16 and the Juniors by a 26-4 score. Basketball is just about over for this year, except for a visit from Dunnville.

With regard to the last game, it was agreed that a little more elbow grease on the part of the caretaker would have helped a great deal.

Just must mention the bevy of beauties that 10-B displayed in the skit at the last assembly. Their "sleepy-time gal" seemed rather tired, while the bathing beauty was just too, too vivacious. Keep sending 'em Tommy.

Revealing Inquiry. Who's blue ford scraped who's fender, while in a big rush to get home from the performance of The Student Prince.

Saturday night saw the last appearance of many of the Beamsville gang from the Grimsby Arena scene. One of the gang finally received a couple of pictures, after a long wait, and so now she so-o-o-o happy. Incidentally she comes from Lincoln Avenue.

Our Beamsville reporter missed a few of her Vineland friends but otherwise did all right.

Considerable excitement was aroused Monday morning when a couple of police officers visited the school. They were investigating the robbing of the safe in the boys' office. Some students regret that other articles regret the fact that anything as meagre as money was taken, while others were sure it was an investigation into the disappearance of a few students, who decided shall we say to abandon school for a afternoon's cycling.

Lake Shore Items

Terminating a very successful winter season of progressive euchre parties, the dies of the Lake Shore district announce that approximately seventy-five dollars has been raised toward the purchasing of equipment for the Lake Shore school. Thru the generosity of Bob Kenna, who donated many of the pps for the euchre this sum was raised more readily.

Mrs. Garnet Crown v the ladies high, with Mrs. K. Snelgrove in the low spot. A Culp held the high score, Roy Morrow the low,

WARNER—COOK

Pink and white snapdragons were on the altar of St. Barnabas' Church, St. Catharines, for the marriage on Saturday afternoon of Florence, daughter of Mr. R. M. Cook, son of Mr. and Mrs. George Warner, Grimsby.

The Rev. E. A. Irwin performed the ceremony throughout which soft organ music was played. Given in marriage by her brother, Mr. Harry Cook, the bride wore a princess gown of white corded taffeta, styled with sweetheart neck and fastened down the back with a row of tiny buttons. Her veil, embroidered in flower design, fell from a circlet of roses and she carried a bouquet of the same flowers. A string of pearls was her only ornament.

The attendants were Miss Louise Cook, maid of honor, wearing a picture frock of pale yellow moire with net skirt; Mrs. A. MacMillan, Hamilton, and Mrs. J. Cobbett, Ha-

milton, were bridesmaids. The former wore yellow moire with net and the latter orchid moire with net. All three attendants wore Juliet caps to match their frocks and carried bouquets of spring flowers and pussywillows.

Mr. A. MacMillan, Hamilton, was the groomsmen and the ushers were Mr. A. Willoughby, Hamilton, and Mr. P. J. Bula.

Immediately after the ceremony Mrs. Cook, wearing azure blue lace over satin with black hat and corsage of roses, received the guests at her residence, assisted by Mrs. Warner, wearing a dress of apricot sheer, with hat and accessories en-suite, and a corsage of roses. Spring flowers adorned the bride's table.

Mr. and Mrs. Warner left for Buffalo, the bride wearing pale blue wool suit with navy hat and top coat, a scarf of brown squirrel and an orchid corsage, and on their return will make their home in Grimsby.

Mothers' Club

Dr. H. G. Brownlee was guest speaker at the Mothers' Club, held at the home of Mrs. J. Lyne, 54 Robinson St. South. His talk was most humorous and instructive, comparing medicine and conditions in the 15th and 16th Century with those of to-day, and the discovery of X-ray and Stethoscope. Dr. Brownlee also read parts from "The Druggist Shop Open", a book which is 253 years old.

Mrs. James Durham presided over this meeting, owing to the illness of Mrs. Tomison, there was no business at this time. A dainty lunch was served by Mrs. H. Henley, Mrs. A. Henley and Mrs. J. Rummery.

Exchange Your Sugar Coupons

Housewives who have set aside some of their unused sugar coupons for the purchase of maple sugar and maple syrup are reminded to turn these into their local ration office, where they will be exchanged for vouchers which can be used for buying maple products.

"It is illegal to send loose coupons through the mails," says a W.P.T.B. official, "and as the pink sugar coupons numbered from 46 to 70, expire on March 31, they should be exchanged for vouchers prior to that date."

Nuptials

MASON—McMARE

A quiet wedding was solemnized on Saturday, March 9th, at the Presbyterian Manse when Hilda Grace, eldest daughter of Mr. and Mrs. Ernest Mason was united in marriage to Eric Lorne, son of Mr. and Mrs. W. L. McMare. The Rev. Francis McAvoy officiated. The bride's attendant was Miss Vera McMare, sister of the groom. Mr. J. Tylee, Smithville, was groomsmen. The bride wore a street length dress of white silk jersey with matching headpiece. Her corsage was of red roses. The bridesmaid's dress was fuchsia crepe with matching accessories. She wore white shoes.

A reception for the immediate families was held at the home of the bride. For travelling the bride wore a blue wool suit and beige topcoat with matching accessories. After a short honeymoon the couple took up residence in Smithville.

In Memoriam

LUPKOSKI—In loving memory of Pte. Frank T. Lupkoski, died of wounds at Heerenberg, Holland, April 2, 1945.

In Holland where the tulips grow, And the windmills dot the land, Sleeps a brave Canadian soldier, Where he died by the enemy's hand, O rest in peace in your hero's grave.

With your comrades far from home, Till God in Heaven calls you, To sit beside Him on His throne. Always remembered by sister and brother-in-law.

LUPKOSKI—In loving memory of my dear uncle Frank, died of wounds at Heerenberg, Holland, April 2, 1945.

Three little words, forget me not, Don't seem much, but mean a lot, Just a memory fond and true, To show dear uncle I think of you. Always remembered by Nicky Racz.

LUPKOSKI—In loving memory of Pte. Frank T. Lupkoski, died of wounds at Heerenberg, Holland, April 2, 1945.

At your picture I often look, With heart both crushed and sore, But in the gloom these sweet words come,

Not lost—just gone before, God knows how much I miss you, He counts the tears I shed, And whispers, he is only sleeping, Your loved one is not dead, So I'll be brave dear Frankie, And pray to God each day,

That when He calls me home to you, Your smile will guide me through, Sadly missed by Mother.

Servicemen Entertained

On Thursday last a men's banquet was held in the Grimsby Baptist Church hall, in honour of men and women who had served in the armed forces of Canada during the past years of war. After the supper which was prepared by a group of women of the church under the leadership of Miss Eva Cline, a short program was held. A sing song led by Harold Jarvis was followed with introductory remarks by the chairman, Rev. R. C. Standerwick. Two splendid solos by Harold Jarvis were enjoyed by all. Mention was made of one who was missing from this gathering, Private Ralph Byford, who was killed in action in the fall of 1944 during the fighting in France. Those present stood in silence, honouring his memory.

The guest speaker of the evening was Col. W. W. Johnson, D.S.O., M.C., O.B.E., Speaking from his own broad experience as a soldier in times of war and peace, Col. Johnson reminded those present of the challenge and testing nature of our day. In simple, inspiring terms he spoke of his own reliance upon Jesus Christ as a friend and guide for life, and commended to those present their sharing in the life which he had found. Mr. L. J. Pettit thanked Col. Johnson for his remarks and also expressed the appreciation to the ladies who had prepared the banquet. The Rev. Jack Manley of Corumbia, Brazil, closed the gathering with prayer.

On Sunday, March 24, at the morning service, the roll of honour of Grimsby Baptist Church was unveiled and the congregation paid tribute to those who served.

Obituary

MRS. EVA F. GRAHAM

After a lingering illness, Mrs. Eva F. Graham, widow of Alexander C. Graham, passed away Thursday last in St. Joseph's Hospital in Guelph, in her 70th year.

She was born in Scarborough township in 1876, and had lived for over 40 years in Grimsby, going to Guelph within the last year or so to reside with her daughter, Mrs. Harold Whiteside.

Her husband predeceased her in 1932. Besides her daughter, she is survived by a sister and brother, Mrs. William Patterson, of Caledonia, and Arthur Secord, of Calgary. She was a member of Grimsby United Church.

Funeral services were conducted by Rev. W. J. Watt and Rev. Neil M. Leckie from the Stonehouse Funeral Home on Saturday afternoon. Interment being in the family plot in Queen's Lawn cemetery.

Honorary pallbearers were, E. S. Johnson, Chas. T. Farrell, A. F. Hawke, E. J. Le Patourel (Hamilton) Murray Beamer, Andrew Cloughley.

Casket bearers were, James Hogan, Charles A. Farrell, David Cloughley, Herbert Gillespie, Kenneth C. Baxter and Herbert L. Lindenamith.

When money burns a fellow's pockets, there is always someone who will place their hands in the fire.

An April Bride

Wren Betty Rhyll, daughter of Col. W. W. and Mrs. Johnson, Grimsby and North Bay, whose marriage will take place late in April.

Vinemount News

A euchre and dance, sponsored by the local Women's Institute, was held in the W.I. hall Thursday evening and was well patronized. Prizes for euchre were won by the following: Mrs. Ellis Jacobs, Isabelle Watt, Jean Tweedle, Murray Jackson, Alway Watt and Robert Bell. Music for dancing was supplied by the Red Hill Ramblers.

The local Women's Institute teen-age canteen, directed by Mr. and Mrs. Stuart Jeffries, was well attended Saturday night, 70 young people being present. Mr. and Mrs. Adam Reid helped chaperone the party.

The members of the Tapleystown Mission Circle held a meeting on Tuesday evening at the home of the Misses Doris and Reita Thomas. The president, Miss Alice Tweedle presided at the business session. Arrangements were made for a pie social and crokinole party in the local schoolhouse. Miss Jean Tweedle was in charge of the study book on Africa. Miss Helen Krick assisted with readings about Africa.

I.O.D.E. Facts

DO YOU KNOW . . . THAT the I.O.D.E. has made arrangements with the Canadian Committee of the Save the Children Fund whereby a share of the clothing and bedding provided by I.O.D.E. Chapters will be sent direct to Overseas Headquarters of the Save the Children Fund in London?

THAT the need is urgent in Britain and Europe for bedding and clothing, especially children's clothing?

THAT the Lincoln Loyalist Chapter has named Mrs. L. A. Bromley as Post-War Service Convener to have charge of this work, and anyone willing to help in any way may meet at her home every Friday afternoon?

THAT wool for knitting may be obtained from Mrs. George Warner at the Post office?

Grimsby Red Cross

Mrs. Morris Smith, charming English bride of Sgt. Morris Smith who arrived in Grimsby on Monday of this week. Before her marriage she was Miss Iris Eden of North Finchley, London, England.

Children's Aid Appointment

The regular monthly meeting of the board of directors of the Children's Aid Society of St. Catharines and Lincoln county was held last Thursday with Mr. Romaine K. Ross in the chair.

Mrs. Winnifred Houlden of St. Catharines has been appointed as junior social worker on the staff of the Children's Aid Society.

The annual meeting of the society will be held on May 21 and the financial campaign will commence on April 15.

Mrs. Garnett J. Dillon, chairman of the finance committee, outlined the case of one of the girls who has been a ward of the society since she was three years of age. She is now 18, and has made excellent progress throughout in school and work. Her story has a very happy ending since she is now going to Australia to marry an officer of the Royal Australian Air Force.

The report of the protection committee was given by Miss Estelle Cuff who outlined the case of a young boy who had been badly neglected by his mother in St. Catharines. It has been possible to have this boy returned to his grandparents in Winnipeg, where he will be guaranteed a secure home with his own people.

Extension of wardship was recommended for two girls whose parents are separated, and where no home has been re-established.

At the present time there are 26 children in case plus 115 families under supervision in the county and city.

Cubbing

Forty one cubs gathered around the totem pole at last week's meeting. After the opening ceremonies and grand howl Blake Christie was invested by Akela and now has his place in the circle. Nicky Racz was presented with the collector's badge and Harry Tuer received his first star. Peter Phelps, the pack's first senior sixer now a member of the boy scout troop has returned to the pack to help others along the jungle paths and Akela presented him with the instructor's badge.

During dues collection the sixers were busy reviewing various first star test work.

Ship-wreck, a game in which the "fleet-of-foot" were victorious and a flag formation relay rounded out the hour.

The grey six gave a fine demonstration of how rescue work should be carried out when people are trapped in a smoke-filled building.

The grey six gave a fine demonstration of how rescue work should be carried out when people are trapped in a smoke-filled building.

Beaver Returns

Here is the new Canadian Pacific Railway Company crest on which the beaver, symbolic of the Dominion which the Confederation Line has served so long, re-appears after a 17-year absence. The change in the company's trademark for use in all departments in this country and abroad was announced by D. C. Coleman, the chairman and president.

Welcome

Mrs. Morris Smith, charming English bride of Sgt. Morris Smith who arrived in Grimsby on Monday of this week. Before her marriage she was Miss Iris Eden of North Finchley, London, England.

Brownies

On arriving at the hall for the March 19th meeting all joined in a game of "Animals in the Ark". One group of Brownies received instructions on health and learned a little health rhyme. The other group was given instructions on tea making and the making of milk puddings.

After having Fairy Ring the Brownies were sent to Brownie Home for roll call and collection of Fairy Gold.

A "Let's Go Out" spelling walk was then enjoyed and on returning to the hall each listed her observations.

There was a lively game of "Eaves and Fishes", followed by regular closing and Good Night Brownies. All left the hall singing "Now Run Along Home."

Next meeting don't forget to bring a jar for growing a bean.

Time Table For Ration Coupons

Three sugar-preserves coupons have been declared valid by Wartime Prices and Trade Board for April in an effort to ease the butter shortage by giving Canadians a chance to use preserves on bread.

On April 4 coupon S5 will become valid, while S6 and S7 will fall due on April 18. This does not mean that more sugar coupons are being allowed over the declared yearly figure—this is simply a rearrangement of the allotment.

Prices Board officials also point out that although pink sugar coupons 46 and 70 expired March 31, persons who have saved a few of them to buy maple syrup or maple sugar may do so by exchanging them for vouchers at the nearest local ration board office. Vouchers must be obtained because loose coupons may not be sent through the mail when buying maple products.

Bursting Point

Popular errors persist. It is often stated during severe weather that a difficult time would arrive "when the thaw comes and the pipes burst."

It is not, of course, the thaw that bursts the pipes. The damage is done at the moment of freezing. When water solidifies it expands by about ten per cent, so that ten cubic feet of water become 11 cubic feet of ice. The pressure immediately breaks the pipe but the ice, solid within, does not leak. When the thaw comes however, and the ice becomes liquid again, out pours the water.

The expanding of ice often occasions much discomfort in our homes, yet our very existence depends upon it. If ice did not expand and so become lighter than water, it would sink to the bottom of our rivers, lakes, and seas. Ice would be added to ice, and the waters in many parts of the world would become solid, impossible for living creatures.

Welcome

March 27th—To Wm. and Mrs. Clemet, Grimsby Beach, a daughter.

He Knew His Limit

There was a man named Solomon Who had a reputation Of having greater wisdom than The sages of his nation; As just to show how wise he was He's let us moderns know, By asking in his earthly cheques A thousand years ago. The problems of his day he found Quite easy of solution, Deiding ownership of babes And squelching revolution; But labor troubles were not then, strikes were not his to settle. These of today would surely take A mind of keener mettle.

The youngsters of his time were put Within their proper places, No rod was spared to spoil the child When they'd kick o'er the traces; But what could poor old Solly do With bobby-soxers swooning, And acting like a lot of goofs To Frank Sinatra's crooning? Yes, many things in this late age Would keep the old chap guessing— The U. N. O. and housing "prob" In which we now are messing; But in one thing I must admit His wisdom he did show, By quitting while he still was good A thousand years ago!

Old Fort Niagara Gets Discharge

Fort Niagara, New York, has received its honorable discharge from the United States Army and passes into history as a military post. Situated across the Niagara River from Niagara-on-the-Lake on the Canadian side of the frontier, the Fort as a military post has borne its name for 219 years and its history reaches back to the days of the early French explorers. After much discussion U.S. Army authorities have finally officially closed the post, bringing to a close a turbulent record of rule under the French, British and Americans. Originally built in 1678 by La Salle and named Fort Conti, it was renamed Ft Niagara in 1726. It was captured by the British in 1759 and on here Sir William Johnson ruled hundreds of miles of Indian territory. The British abandoned the Ft following the American Revolution and it again changed hands during the War of 1812, coming under American domination at the close of that sanguinary struggle. The construction of the modern post began in 1841 in an area now totalling 288 acres, about 11 miles north of the City of Niagara Falls, N.Y.

Islar Names

Some famous islands and how they got their names: Mauritius, called by the Dutch in 1598, in honor of Prince Maur-

ice of Nassau. West Indies, named in 1492 by Columbus, who thought he had discovered the eastern part of India. The Bermudas, called after the Spaniard, Bermudez, who sighted them in 1527. Philippine Islands, originally called Filipinas, after the son of the King of Spain, the country which undertook their conquest in 1565. Tristan da Cunha, after the Portuguese admiral, Tristao da Cunha, who discovered it in 1506. A man has reached middle-age when he fears that touch of indigestion may be caused from a weakening heart.

BEAMSVILLE NEWS

Strike Rate At 36 Mills On \$

A six hour session of Beamsville Council was finally culminated at two in the morning, and for sure, we know that the mill rate has been struck at thirty-six mills, one mill lower than last year. Not for sure, is any definite hope on the proposed Fire Hall.

The lengthy meeting had much to take into consideration in striking a new mill-rate, one of the items being the allowance made for a fire hall, which was quite a problem, due to the fact, that Council is not absolutely certain as to how much the building will cost.

Two sets of plans have been submitted and it was the feeling of the members of Council, that both plans had advantages, and that if the two were combined, the final plan would be pretty close to what is desired.

The problem of the site is still undecided. The lot south of the Hydro, and a site adjoining the Town Hall are the two under consideration.

Major league baseball will be faster next spring. There will be no right fielders using crutches.

Concert

Under the auspices of the Beamsville Branch Auxiliary of WEST LINCOLN MEMORIAL HOSPITAL

All Local Talent

will be held in the

Community Hall BEAMSVILLE

WED., APRIL 3rd

8:15 p.m.

TICKETS 25c

Theatre Progress

Arch Roland and his crew have completed the main excavating for the Beam theatre, and approximately one thousand tons of soil was removed from the location by County dump trucks.

The next step will be the laying of abutments for the placing of cribs, and additional men are being procured for this work, which is under the supervision of C. Unrau. John Stadelmier, of Grimsby, will do the cement work.

Bride Arrives

The fourth war bride to arrive in the Beamsville district, arrived on Tuesday, in the person of Mrs. Muriel Southward, wife of F./L. Lloyd K. Southward.

Hailing from the land of the Heather, Morayshire Forres, to be exact, Mrs. Southward was a school teacher, until October 18th, 1944, when she married Lloyd, and although Lloyd arrived home many months ago, his wife just made it now, coming over on the Aquitania which docked in Halifax on Friday, March 22.

The Independent extends a cordial welcome to Mrs. Southward, and wish for her and Lloyd, every success in the years to come.

Beamsville Girls Bowling League

The Aces are 1946 Champions. Marg Tufford paced the league leading Aces to a final triumph over the Lawn Bowlers, in the final round of the Ladies Bowling League a la 1946.

Aces rolled a total of 1734 to defeat the Lawn Bowlers 1516 effort. The Bowlers made a feeble bid in the first game, but the superior strength of the Aces showed up in the later stages.

The girls now hope to hold a banquet in the near future, at which various awards will be handed out to high bowlers and winning teams.

Will Celebrate 91st Milestone

H. V. ROBINS

The Independent this week, takes great pleasure in extending the warmest solicitations and best wishes to a grand old man, who on April the third celebrates his 91st birthday. We also feel that a mere mention of this is not enough, but that the colorful and active life that this man has led, deserves a short life story, which as you will see, is packed full of life's enjoyments, tragedies and multiple little incidents, that make life's road a truly great adventure.

Harle Vickery Robins was born in the Telephone City of Brantford on April 3rd, 1855, and when he was two years of age, he moved to Montreal with his father, who had been appointed as principal of the McGill Normal School.

His boyhood was spent in Montreal, and at eighteen he came to Oshawa, where he "learned to farm, under the hand of his uncle." Having learned sufficient of the why's and whereof's of agriculture, his father purchased what is now the McBride farm in Beamsville. His arrival here was in 1879, the same year Beamsville was in-

Give to conquer CANCER

Next to heart disease, cancer is the greatest single cause of death on this continent. It kills 1,000 Canadians every month. One out of every eight persons now living must expect to die of cancer, unless far-reaching preventive measures are taken.

Cancer is a deadly killer unless the patient seeks early medical advice. But when caught in its early stages, cancer is generally curable.

The cause of cancer is still unknown, and there is yet no specific cure. But if diagnosed in time and treated by surgery, x-ray or radium, a cure can be effected in a majority of all cancer cases.

It is now proposed to organize an energetic campaign in Ontario against cancer in all its forms. This campaign will have the following objectives:

1—To organize and operate fully equipped cancer clinics at suitable centres, where people may be examined, and, if necessary, treated according to the most scientific methods.

2—To pay a portion of the cost of treatment of cancer for those needing financial help.

3—To pay travelling expenses to and from clinics if needed.

4—To conduct an energetic program of cancer research.

To carry out this program, the first need is money. Your donation will definitely help to reduce the number of deaths from cancer in this province. It will help hundreds of people to be medically examined in time and to escape from the deadly clutches of cancer. It may well help research scientists to discover a cure for cancer and so free mankind forever from the dread scourge of cancer.

This appeal is for an objective of \$2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

ONTARIO CANCER FOUNDATION

This organized drive against cancer is a joint effort of The Ontario Cancer Treatment and Research Foundation and The Canadian Cancer Society.

Long distance lines are still HUMMING

WITH MORE TELEPHONES in use than ever before, and people using them more, the number of Long Distance calls keeps going up and up.

We are training hundreds of new operators, adding many miles of new circuits and installing new switchboards to handle them. Everything possible is being done—but it does take time.

Until the job is done we will continue to need your co-operation. It is helpful when you observe the proper sequence in placing your calls with the operator and when you keep your talks as brief as possible.

WHEN YOU CALL:

FIRST, give Long Distance the name of the city you are calling.

THEN the number of the distant telephone. (If you do not know the number make a note of it for future use when you hear the operator repeat it.)

THEN when the operator asks for it, give her the number of the telephone from which you are calling.

Please avoid unnecessary details.

H. T. Stewart,

Manager

corporated as a Village. It wasn't long until this eligible young bachelor took unto himself a wife, she being the neighbors daughter, Elizabeth Ann Garbutt. Two children were born to the Robins family, a daughter, who is now Mrs. Leo Martin, and a son, William H. Robins now of Winnipeg.

In 1866 Mrs. Robins died of a heart attack, and a few years later Mr. Robins married Mary Roxana Van Norman of Beamsville. The farm was sold, and they moved to Mitchell, where he was in the book and stationary business with his brother Samuel. When this business was sold in 1895 they moved back to Beamsville, where they were associated with Mrs. Robins' father Romaine Van Norman, in a stationary and fancy goods business, located where Sam Shore's business is now.

Harry Davey who was operating the Beamsville Express in 1911, made a business deal with Mr. Robins and they changed their occupations. Mr. Robins operated the Express for several years, and finally sold it back to Mr. Davey. Following a short stay in Toronto, where he dealt in pictures and picture framing, Mr. Robins retired and returned to Beamsville.

His career was also dated with terms to public office. He was treasurer of Beamsville in 1908, and also was a Notary-public at one time. Always active in Church affairs, he was superintendent of the Methodist Church for a number of years.

Since the death of his second wife in 1937, Mr. Robins has lived in a little grey cottage on West Avenue, but actually his neighbors live with him. For joy grand old man is the pride and of the people on this street. And although he accepts their many acts of kindness, his independence is something that he still maintains.

St. Andrew's L.A.

The Ladies Association of the St. Andrew's Presbyterian Church met at the home of Mrs. A. C. McArthur on Thursday afternoon. The brilliant spring day brought out most of the members, to a meeting that dealt with plans for a shower to be held in connection with a bazaar which will be coming up in the fall.

Mrs. J. Mowat took part in the

devotional period, which was followed by a enjoyable quiz, conducted by Miss. Anne Scott. Famous persons, and literary subjects was the theme of the quiz.

Beamsville W. I.

The Beamsville Women's Institute held their last card party of this year at the Community Hall, on Friday night. Twenty-six tables were in play, with visitors from Grimsby, the Beach, Vineland and Jordan.

These euchres have proved to be very popular this winter, and the President of the W. I. Mrs. R. A. Saunders, announced that the co-operation of the ladies was outstanding, and moved a hearty vote of thanks through this medium, to all those who assisted during the past few months.

Mrs. Wilson Ransom and Mrs. Ashley Elliott were winners in the ladies group. Joe Filce, again won high scoring honours for the men, with John Logan scoring the low. Mrs. Jack Knowles was awarded a lucky chair prize. Following the awarding of prizes, a tasty lunch was served.

Fireside Hour

A large congregation gathered in Calvary Gospel Church, Sunday, March 24th, for the evening service, and the Young People's Fireside Hour.

Pastor Benson presided and the meeting opened with the hymn "Stepping in the Light."

Our guest for the day, Miss Freisen and Miss McCova of Buffalo sang a duet number "Take up Thy Cross."

An interesting feature on the programme was a message taken from II Timothy, 2, given by Miss Stevenson of Buffalo, and translated in the Czechoslovakian language by Miss McCova who formerly came from that country.

Miss Freisen showed slides representing the work of the European Evangelistic Crusade. Miss McCova and Miss Freisen are to sail shortly as missionaries to Europe.

After the singing of the hymn, "I remember Calvary", the meeting closed with prayer by Pastor Benson.

Hello Homemakers! Did you have a good breakfast? It's not too late to make one resolution that will help you to keep other resolutions. Because a good breakfast wakes up appetite, provides nourishment and energy for the morning's work and lifts the spirits too. A good breakfast looks good, tastes good and is hearty enough to stick to the ribs until noon. Every normal person requires a nourishing breakfast.

An active, growing child needs to break his fast in the morning with foods that keep him healthy by refuelling his physical and nervous systems. People doing heavy work in the factory, on the farm or around the house need a substantial breakfast for the same reasons. Some office workers and others who do sedentary work may need only fruit, whole wheat toast with jam and a hot beverage. Elderly people often find their vitality low in the morning and therefore require food to pick them up.

What is the right kind of breakfast and how is it planned? The general breakfast pattern can be the same, day after day, if given enough variety to add interest appeal. Fruit of some sort makes a good starter, because fruit is refreshing and appetizing and also because it supplies the Vitamin C everyone needs every day. Citrus fruits and tomato juice are especially high in Vitamin C content. You might vary these with raw apples or applesauce, stewed prunes (without sugar) or grape juice.

For energy giving food at breakfast the breads and cereals go on the table. And the more whole-grain used, the better for the family. Prepared cereals save time but in cold weather a cooked cereal is recommended. Try whole wheat cooked in milk, cornmeal porridge served with maple syrup or good oatmeal gruel and warm milk. Some prefer cold milk or cream—it's a question of taste and pocketbook. Plenty of milk on the morning cereal takes care of part of the daily quota (1 pint per day). It is wise to teach children to enjoy cereal without sugar. Along with cereals, there is a

Cushioned Action

Washes Clothes Cleaner, Faster!
No Wear On Clothes, Lasts Longer

This WESTINGHOUSE Cushioned Action Washer (Model W90) was the last washer to be developed before wartime restrictions stopped production . . . It is therefore the newest washer in Canada. It is built to meet present-day needs — to wash clothes cleaner — to save your clothes — to last longer — to avoid repairs and replacement — to save you money!

It incorporates the latest advancements in design and construction. Yet every feature of this WESTINGHOUSE Cushioned Action Washer has been tried and proven under the most exacting conditions.

Not only does it strike a high note in streamlined beauty, but every hidden part is engineered to the high standards of quality for which Westinghouse has long been famous.

We maintain a Service Department for all electrical equipment and all makes of radios.

wide variety of breads that are delightful for breakfast—muffins, biscuits, hot crisp toast from brown, white or cracked wheat bread, pancakes, coffee rolls, etc.—all depending on how much time you have to get breakfast. To save time in the morning, partly mix a batter the night before and store it in the refrigerator. Some homemakers have scones and tea biscuits cut and in the pan the night before. The pan spends the night in the refrigerator and then is popped into a preheated oven.

A substantial breakfast should include a body-building food especially for manual workers—an egg, poached, cooked in the shell or scrambled; bacon, broiled slowly; creamed meat or fish on toast. Ever make a kidney stew on Saturday and reheat it Sunday morning—or make waffles with pieces of bacon in ready to cook in a few minutes?

Last of all, there is the breakfast drink to consider. Hot tea, coffee and cocoa are standards but since a few new cereal beverages and chocolate powders are available they make a variety. The idea is to serve something warm, cheering and good to taste. Milk is the best drink for children.

So the general pattern for a cereal and bread to eggs (or bacon, good breakfast runs from fruit, fish or meat) and finally to that hot cup of coffee.

COOKING CEREALS

Cooked cereals should be well flavoured, free from lumps, not too stiff, not too thin and served piping hot. For correct cooking, use measured proportions according to the instructions. We cook cereal: (1) to improve the flavour, (2) to improve digestibility and to soften the cellulose, thus improving the texture.

Methods of cooking cereal: (1) over direct heat, (2) in a double boiler and (3) a combination of methods.

How to prevent lumping: (1) Fine cereals such as farina or cornmeal should be mixed with enough cold water to make a soft "mush"; then added to boiling, salted water and stirred constantly. The amount of water used should

be deducted from total liquid needed. (2) Flaked or coarse cereals such as rolled oats, cracked wheat and grits, may be sprinkled slowly into rapidly boiling, salted water, so boiling will not stop. Scrape the bottom of the pan with a spoon frequently. (3) When reheating cold, cooked cereal, use a double boiler and do not stir the cereal until it is heated.

Cooking Time for Cereals:
Fine cereals for six servings: ½ to ¾ cup cereal, 2 cups water, and ½ tsp. salt. Time 20 minutes.

Coarse Cereals for six servings: ½ cup cereal, 2 cups water, and ½ to 1 tsp. salt. Time 30 to 35 minutes.

Commercial packaged cereals may be warmed in the oven or steamed for variety. The addition of wheat germ adds considerable vitamin value.

Anne Allan invites you to write to her at The Grimsby Independent. Send in your suggestions on homemaking problems and watch this column for replies.

Oatmeal Muffins

1½ cups flour, 2 tbs. sugar, 4 tbs. baking powder, ½ tsp. salt, ½ cup milk, 1 cup cooked oatmeal, 1 egg, well beaten, 2 tbs. melted butter or shortening.

Add oatmeal to milk. Mix and bake as for standard muffins.

ORANGE BREAD MUFFINS

3 tbs. butter, shortening or lard, ¼ cup sugar, 1 egg, well beaten, 1 tbs. molasses, grated rind of 1 orange, 1 c. milk, 1 cup cereal bran, 1 cup pary flour, 3 tbs. baking powder, ½ tsp. salt.

Work butter with spoon until soft and creamy. Add sugar gradually, then beaten egg and molasses. Add orange rind and bran. Let mixture stand for 15 mins. Sift and measure flour and add to it baking powder and salt. Sift again and add to mixture. Fill well greased muffin pans two-thirds full. Bake 25 min. in moderately hot electric oven (400 degs.). Yield 12 muffins.

Nowadays a worker spends about as much time on the picnic line as the assembly line.

Pensions Board

At the monthly meeting of the Lincoln County Pensions Board held last Thursday, eight applications for old age pensions were granted while four others were laid over for further investigation. Only three were not recommended. Three applications for mother's allowance were granted and one laid over.

One application for blind pension was also laid over by the board for the time being. Chairman George Hedley was in charge of the meeting and those present were: Mrs. W. H. Groce, George Montgomery, W. H. Shepherd and Secretary Miss J. Davidson.

Drew Will Curb Wild Spending

Boards of Education Must Use Grants To Cut Down Taxes And Not Spend It All.

Premier Drew said in the Ontario legislature last Friday that "a number of school boards in urban municipalities have embarked on a spending spree which is denying any advantage to the taxpayers from grants." He told the House that unless the stated purpose for which school grants were made is recognized the government "have no choice but to take appropriate steps to assure some measure of control. A continuation of this course can only lead to a restriction of local authority over the use of these grants."

He pointed out that "only a fraction" of the approximately \$30,000,000 in grants is being passed on as a direct benefit to local taxpayers. The large grants are being increased again this year to local boards and the premier said their purpose must be kept in mind.

"Very large grants" were made to the school boards so that home owners would be relieved of part of a heavy obligation; it was hoped this would encourage home owning and encourage too a proper level of salaries for teachers and other legitimate educational expenditures.

With good reason, he added, there had been complaint from taxpayers in a great many municipalities that the benefit of the grants had not reached them. In many cases, he added, either the municipal council or school board "is not following the spirit of the instructions which were given."

The premier, who is also minister of education, said it should be remembered municipal councils fix tax rates after they get the estimate of tax requirements from school boards.

"In a few cases municipal councils have embarked upon expenditures which they would not have contemplated otherwise, simply because this additional sum has been made available by the grant for education," said Mr. Drew.

Driver Charged

Michael Konopely, aged 31, Hamilton, was arraigned before Magistrate J. H. Campbell Monday charged with driving while intoxicated. Konopely was arrested Sunday afternoon about three o'clock by Cpl. Edward Priest, Ontario Provincial Police, following a collision with an auto driven by Herbert Bradley, 29 Grantham Avenue, St. Catharines. The accident occurred on No. 8 highway, at the Grimsby town limits. No one was injured. Konopely was granted an adjournment until Thursday when he appeared.

Fruit Crop Worth \$31 Million

The value of the fruit crops produced in Canada in 1945 is currently estimated at \$31,544,000, showing a decline of \$9,138,000 from the value of the 1944 production. With the exception of New Brunswick, the value of the crops in all the other provinces is below the 1944 level, the greatest reduction being reported in Nova Scotia. The value of the 1945 fruit crops by provinces (with the 1944 values in parentheses) is as follows:—Nova Scotia, \$1,368,000 (\$5,063,000); New Brunswick, \$531,000 (\$436,000); Quebec, \$953,000 (\$1,834,000); Ontario, \$9,380,000 (\$12,065,000); British Columbia, \$19,311,000 (\$12,284,000). The figures are subject to revision.

The Muskox Flash

Designed by members of force Muskox and drawn by Pte. Irene E. Mullin is circular in shape. It will be worn by the moving force itself as well as members of the three services participating in the exercise. Embodying all three services the three-toned patch—pale blue, silvery-white and black, shows a naval vessel, aircraft and igloo (in which the moving force lives much of the time) against stark white mountains of the barren Arctic where "Exercise Muskox" is taking place. (Canadian Army Photo)

Junior knows that times are more prosperous. Parents are dropping coins in piggy banks instead of removing them.

Spring is here. Fire Chief LePage and his men know it. They had a run to a grass fire on Fairview avenue on Tuesday afternoon.

The annual St. Catharines Horse Show, one of the largest-drawn shows of its kind in Canada, will be held June 28-29 and July 1, 1-2, it has been announced.

Toronto, March 25. — (CP) —

Highways Minister Doucett said to-day, April 10 has been designated as the last valid day for 1945 motor vehicle number plates and drivers' licenses in Ontario.

Higgins The Plumber has been appointed sales representative for this district for the famous Gilson oil burners of Guelph. He will also be in charge of all installations and servicing of the burners.

The war is surely over. No less than three travelling salesmen were in The Independent office on Wednesday morning. The first in six years. Soon they will be doing the begging and not the buyer.

An American tourist staying in Canada for five days or longer may apply for a temporary ration card while staying with relatives or preparing meals in a cottage or camp. These temporary ration cards are issued by the Local Ration Board.

During February, the shortest month in the year, the ambulance of the Lincoln County Humane Society travelled 14,000 miles through city streets and country roads many of them in poor condition from ice and snow, on its errands of mercy.

Sunday is the last day that dogs can run at large. Beginning Monday they must be tied up. Taken out on a leash or be in charge of some competent person. Dog tax is also due on April 1st. Chief Turner will be after you if you don't pay up.

A special general meeting of the Ontario Grape Growers' Association is to be held in the Grimsby High School, March 29, 1946, at 8 p.m. Plans for amalgamation of the two Grape Growers' Associations are to be presented and further action to be decided.

Three Hamilton men, Arthur S. Dawson, James street north; Arthur Miller, Wentworth street north, and George Johnston, Victoria avenue north, had a narrow escape on Saturday night when their automobile went out of control and rolled over following the blowout of a tire. The accident, in which the car was badly wrecked, occurred on the Queen Elizabeth Way, near here.

The boys who like their odd jigger of spirits to revive the drooping spirit will have to have a new liquor permit come next Monday in order to secure their supply. Some of the lads may get disappointed if they do not have their registration card with them, or their card is not in legible condition. No permits will be issued without a registration card and no permits will be issued where the card is dirty and torn and the writing is not perfectly legible.

Leonard Hill, an old Grimsby boy, of Chicago spent the weekend visiting with relatives in town. It is just 20 years ago that "Pop" McVicar, then playing pro hockey with Chicago Cardinals took "Ping" a crack young junior to the Windy City to play hockey where he made good also made good in business life. He is now supervisor of dining car service out of the Western metropolis for the New York Central and allied lines. A year ago he was transferred to Los Angeles by his company, but two months ago was transferred back to Chicago.

Odd Jobs At County Council

A resolution forwarded by Hastings County Council to Lincoln County Council, was endorsed by the finance committee and approved by the council during the afternoon. The resolution, addressed to the Department of Highways, requested enactment of legislation whereby all motor vehicles would be subject to a compulsory mechanical inspection and the enforced carrying of public liability and property damage coverage to eradicate the menace of old "jalopies" and irresponsible drivers.

Deputations from the West Lincoln Memorial Hospital requesting a grant of \$5000; from the Niagara Cottage Hospital also requesting assistance, addressed the council during the day. They were deferred for consideration at a later date. Membership in the Ontario Education Association was renewed and the chairman, W. A. O'Brien, reeve of Niagara, Aikens of vice-chairman, J. Warden Johnston North Grimsby were authorized to attend the annual convention. The request for a grant to the Amps' Memorial Project was deferred for consideration at a later date.

Adopting the report of the Agriculture Committee presented by Chairman J. D. Taylor, deputy-revee of Louth, council voted to grant \$3,800 to the Lincoln County Federation of Agriculture for 1946 and took no action regarding the formation of a county agricultural committee since they felt this would only mean a duplication of effort in the county. Council then adjourned to meet again on April 16th.

A medico says real wealth is a state of mind. At least they can't make you pay a tax on the things you are thinking about.

A man has reached middle-age when he wouldn't think of starting the day without taking some kind of a pill.

REAL ESTATE

Through the office of Winifred Congdon, Realtor, 7 1/2 acres, with fine residence, on No. 8 Highway, owned by E. Steven, has been sold to a local buyer.

H. L. McCallum of Strathroy has purchased the house and lot at 11 Kidd avenue from J. O. Moore, he has also purchased Mr. Moore's apiary business including the bees and honey extracting equipment.

The James Wray estate and Mrs. Ethel Wray have disposed of the building and land on Orchard Lane to Higgins The Plumber who now occupies it as his office and workshop.

The Missionary Sisters of Christian Charity, a Ukrainian Catholic organization, is to make its headquarters at Grimsby in the J. A. Jacklin residence, on No. 8 highway, which has been purchased for their use. Members of the congregation will come from all parts of Canada, and will undergo long training before entering upon their missionary duties. The purchasers will take possession about May 1. The transaction was completed through the agency of Farmer's Realty Company, Beamsville, Ontario, whose representative in Grimsby is Mr. Henry Pryhtka of 14 Ontario Street.
